Matrix Concepts was founded with the idea that everyone deserves a quality product that can be customized to make it more personal. The Matrix Concepts Canada Dealer ID program takes that concept to a new level by making it possible for dealers to have their own line of Matrix products with exclusive custom graphics that include the dealership name and logo.

- *Great advertising for dealerships
- *Great for dealership sponsored teams & riders
- *Perfect for dealership in-store promotions
- *Dealer receives product customized and ready to be sold, no sticker placement required by dealer.
